#### RE: Temporary Service Interruption

Please be advised that due to a training including all the lab members, there will be service interruption from **Monday 18<sup>th</sup> to Friday 22<sup>nd</sup> March, 2019**.

During this period, the lab will remain closed and as a result all the lab services including samples reception, testing and dispatching results to the respective health facilities will be delayed.

Kindly note that the normal service will resume on **Monday 25<sup>th</sup> March, 2019**.

Sincere apologies for the inconveniences caused.
